DETAILED ACTION

Reason for allowance

1. The following is an examiner's statement of reason for allowance: the prior art of record, either singularly or in combination, does not disclose or suggest forming a tunnel oxide layer having a first thickness in the cell array region and forming a gate oxide layer having a second thickness in the peripheral circuit region, the second thickness different from the first thickness, as instantly claimed and in combination with the remaining elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
